Honorable Spiro T. Agnew,
Governor of Maryland,
State House,
Annapolis, Maryland.

MAY 29 1968

Dear Ted:

I would like to join with the tremendous number of my constituents who are complimenting you real well for calling an ace an ace and a spade a spade. We need someone like you to tell the people that the masquerade is over, to face up to realities, and revert to law and order.

I sincerely hope that you and Mrs. Agnew and your family have a nice Easter.

Sincerely,

Frederick C. Malkus
